SUMMARY

Detail-oriented and highly motivated 4th-year Geodetic Engineering student at the University of the Philippines Diliman, with hands-on experience in traditional surveying, remote sensing, GIS, and photogrammetry. Eager to take on new challenges, continuously learn, and grow professionally.

EDUCATION

Bachelor of Science in Geodetic Engineering

August 2021 – Present

University of the Philippines Diliman, Quezon City, Metro Manila, Philippines

- DOST-SEI Scholar (2021–Present)
- Undergraduate Researches:
 - Impact of Lighting Parameters on 3D Reconstruction of an Archaeological Artifact Replica Using Close Range Photogrammetry (*unpublished*)
 - *In partial fulfilment of GsE 188: Modern Photogrammetry*
 - *P.L.C. Conte, K.A.T. Escabarte, M.G.R.A. Galano, J.L.C. Ramirez, K.A.P. Vergara*
 - From Fields to Cities: Comparison of Support Vector Machine and Random Forest Classifiers for a Multi-Temporal Analysis of Urban Growth in Cavite (*unpublished*)
 - *In partial fulfilment of GsE 189: Remote Sensing: Theory and Applications*
 - *K.A.T. Escabarte, C.A.R. Manago, J.L.C. Ramirez, E.E.E. Elazegui*

High School

July 2015 – May 2021

Philippine Science High School – Ilocos Region Campus, San Ildefonso, Ilocos Sur, Philippines

- With High Honors (2021), Proficiency Award in Arts, Design, and Technology (2021)
- STEM Track – Physics Strand, Electronics and Agriculture Elective

WORK EXPERIENCE

Geodetic Engineering Student Intern

July 2024 – August 2024

RASA Surveying and Realty, Quezon City, Metro Manila, Philippines

- assisted in conducting land, hydrographic, and aerial surveying
- experienced handling GIS and Remote Sensing software in data processing
- attended seminars and training camps for LiDAR and Bathymetric surveying
- prepared survey returns documents following government standards

Student Intern – Agriculture 1: Work Immersion

March 2020

Malakas Farm Livelihood Development Enterprises, San Juan, Ilocos Sur

- participated in agricultural operations particularly in land preparation and mushroom propagation

Student Intern – Microbiology, Chemistry, Metrology Labs**September 2018***DOST Regional Science and Technology Laboratory 1, DMMSU San Fernando, La Union*

- shadowed laboratory staff and gained early exposure to scientific instrumentation

Community Manager / Esports Varsity Player – MLBB**March 2024 – May 2025***UP Esports Varsity Team*

- manages internal communication and coordinates with players, moderators, and stakeholders for events and tournaments
- handled and managed Diliman Games tournaments as a co-organizer

Campus Moonton Student Leader – UP Diliman**March 2024 – Present***Moonton Student Leaders PH*

- leads initiatives and collaborates with nationwide student leaders on community projects
- plans and manages online and face-to-face tournaments at various scales

Part-Time Tutor / Lecturer**March 2024 – Present***Self-employed*

- performed tutoring sessions for elementary and high school students, particularly in Mathematics and related subjects
- served as lecturer for various events such as review sessions for college entrance tests (CETs)

SKILLS

Surveying and Mapping

- hands-on experience in traditional surveying techniques and the use of remote sensing, GIS, and photogrammetry for data processing and analysis
- experienced in geospatial data handling and map creation using GIS (*ArcGIS, QGIS etc.*) and CAD-based (*Civil 3D, AutoDesk etc.*) platforms

Data Handling

- proficient in using productivity software such as Microsoft Office Suite, including Word, Excel, and PowerPoint for document preparation and data processing

Event Handling and Management

- skilled in end-to-end event coordination, including planning, logistics, and execution
- highly organized and efficient in managing time and tasks

Flexible and Resilient

- demonstrates adaptability and a strong willingness to learn when given opportunities
- can effectively perform onsite, online, or in a hybrid setup

AFFILIATIONS & LEADERSHIP

University of the Philippines Namnama (UP Namnama)

- Vice President for Internal Affairs (AY 2025-2026)
- Sirib ken Saririt 2025: 43rd Sirib Quiz Show and 16th Saririt Cultural Festival

- Provincials Leg – Ilocos Norte Co-Head (January 2025)
- SURO 2025: Facilitator and Lecturer (Mathematics) – Ilocos Norte (July 2025)

Moonton Student Leaders Philippines

- Campus Student Leader (March 2024 - Present)

University of the Philippines Esports Varsity Team

- Community Manager (March 2024 – May 2025)
- Diliman Games 2024 Co-Organizer (May 2024)
- Diliman Games 2025 Co-Organizer (May 2025)
